# 2027 Bible *Reading Plan*

*Read the whole Bible in one year: Old Testament, New Testament, Psalms and Proverbs, about 15 minutes a day*

---

*"Your word is a lamp to my feet And a light to my path."*

Psalm 119:105 · NKJV

---

# How to use this plan

Each day has two readings. **Reading 1** takes you through the Old Testament from Genesis to Malachi. **Reading 2** takes you through the New Testament from Matthew to Revelation, with the Psalms and Proverbs woven in between. Tick the boxes as you go.

## Tips for the year

- Choose a regular time and place, and attach your reading to a daily habit.
- Started late or missed a few days? Follow the day numbers instead of the dates.
- Don't try to catch up all at once. Pick up with the next reading and keep going.
- Write one sentence a day about what you noticed. By December you will have a journal of your whole year with God.
- Read with a friend or small group and talk about it once a week.
